# Agenda

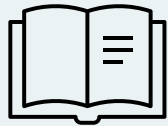

Video

Challenge

Discuss: How does our solar system work?

Bible verse

Pray and goodbye

Video of the week:

Let's take a trip  
through the  
solar system!

[https://www.youtube.com/watch?v  
=EZOY9HL4fVE](https://www.youtube.com/watch?v=EZOY9HL4fVE)

Challenge:

How long can you  
balance a pencil on  
your finger?

Was it Hard or Easy?

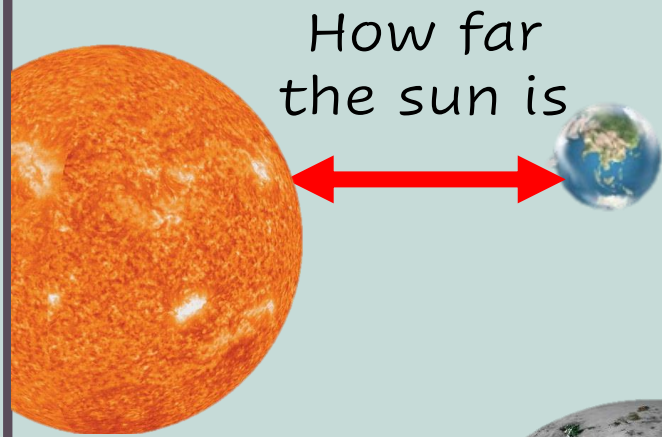

Are there any other  
things you think you  
could balance

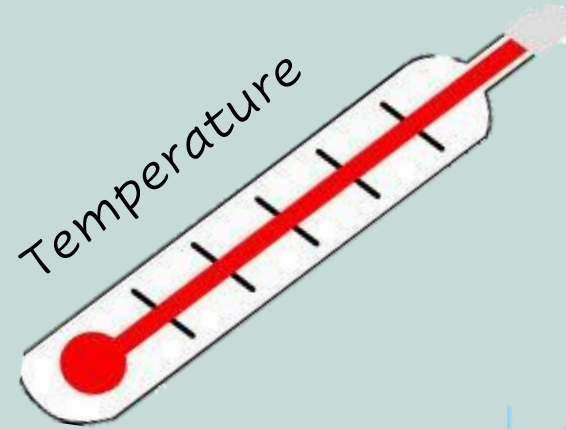

Look what someone else could balance!

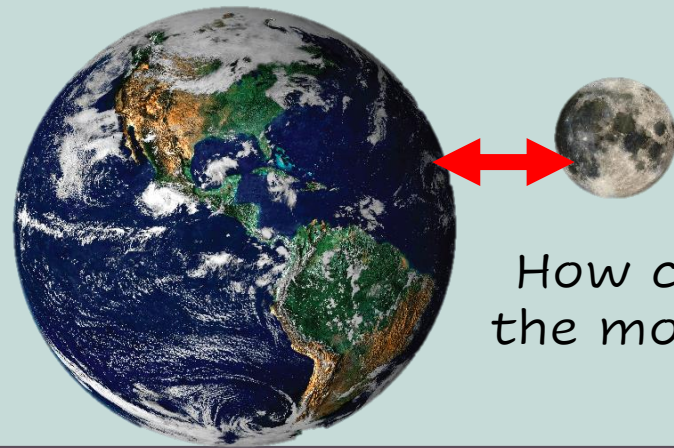

On Earth, many things balance...

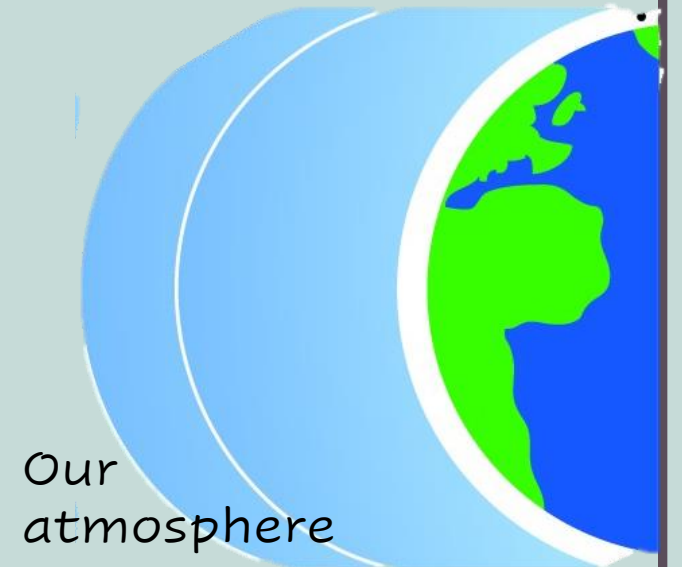

How far  
the sun is

Temperature

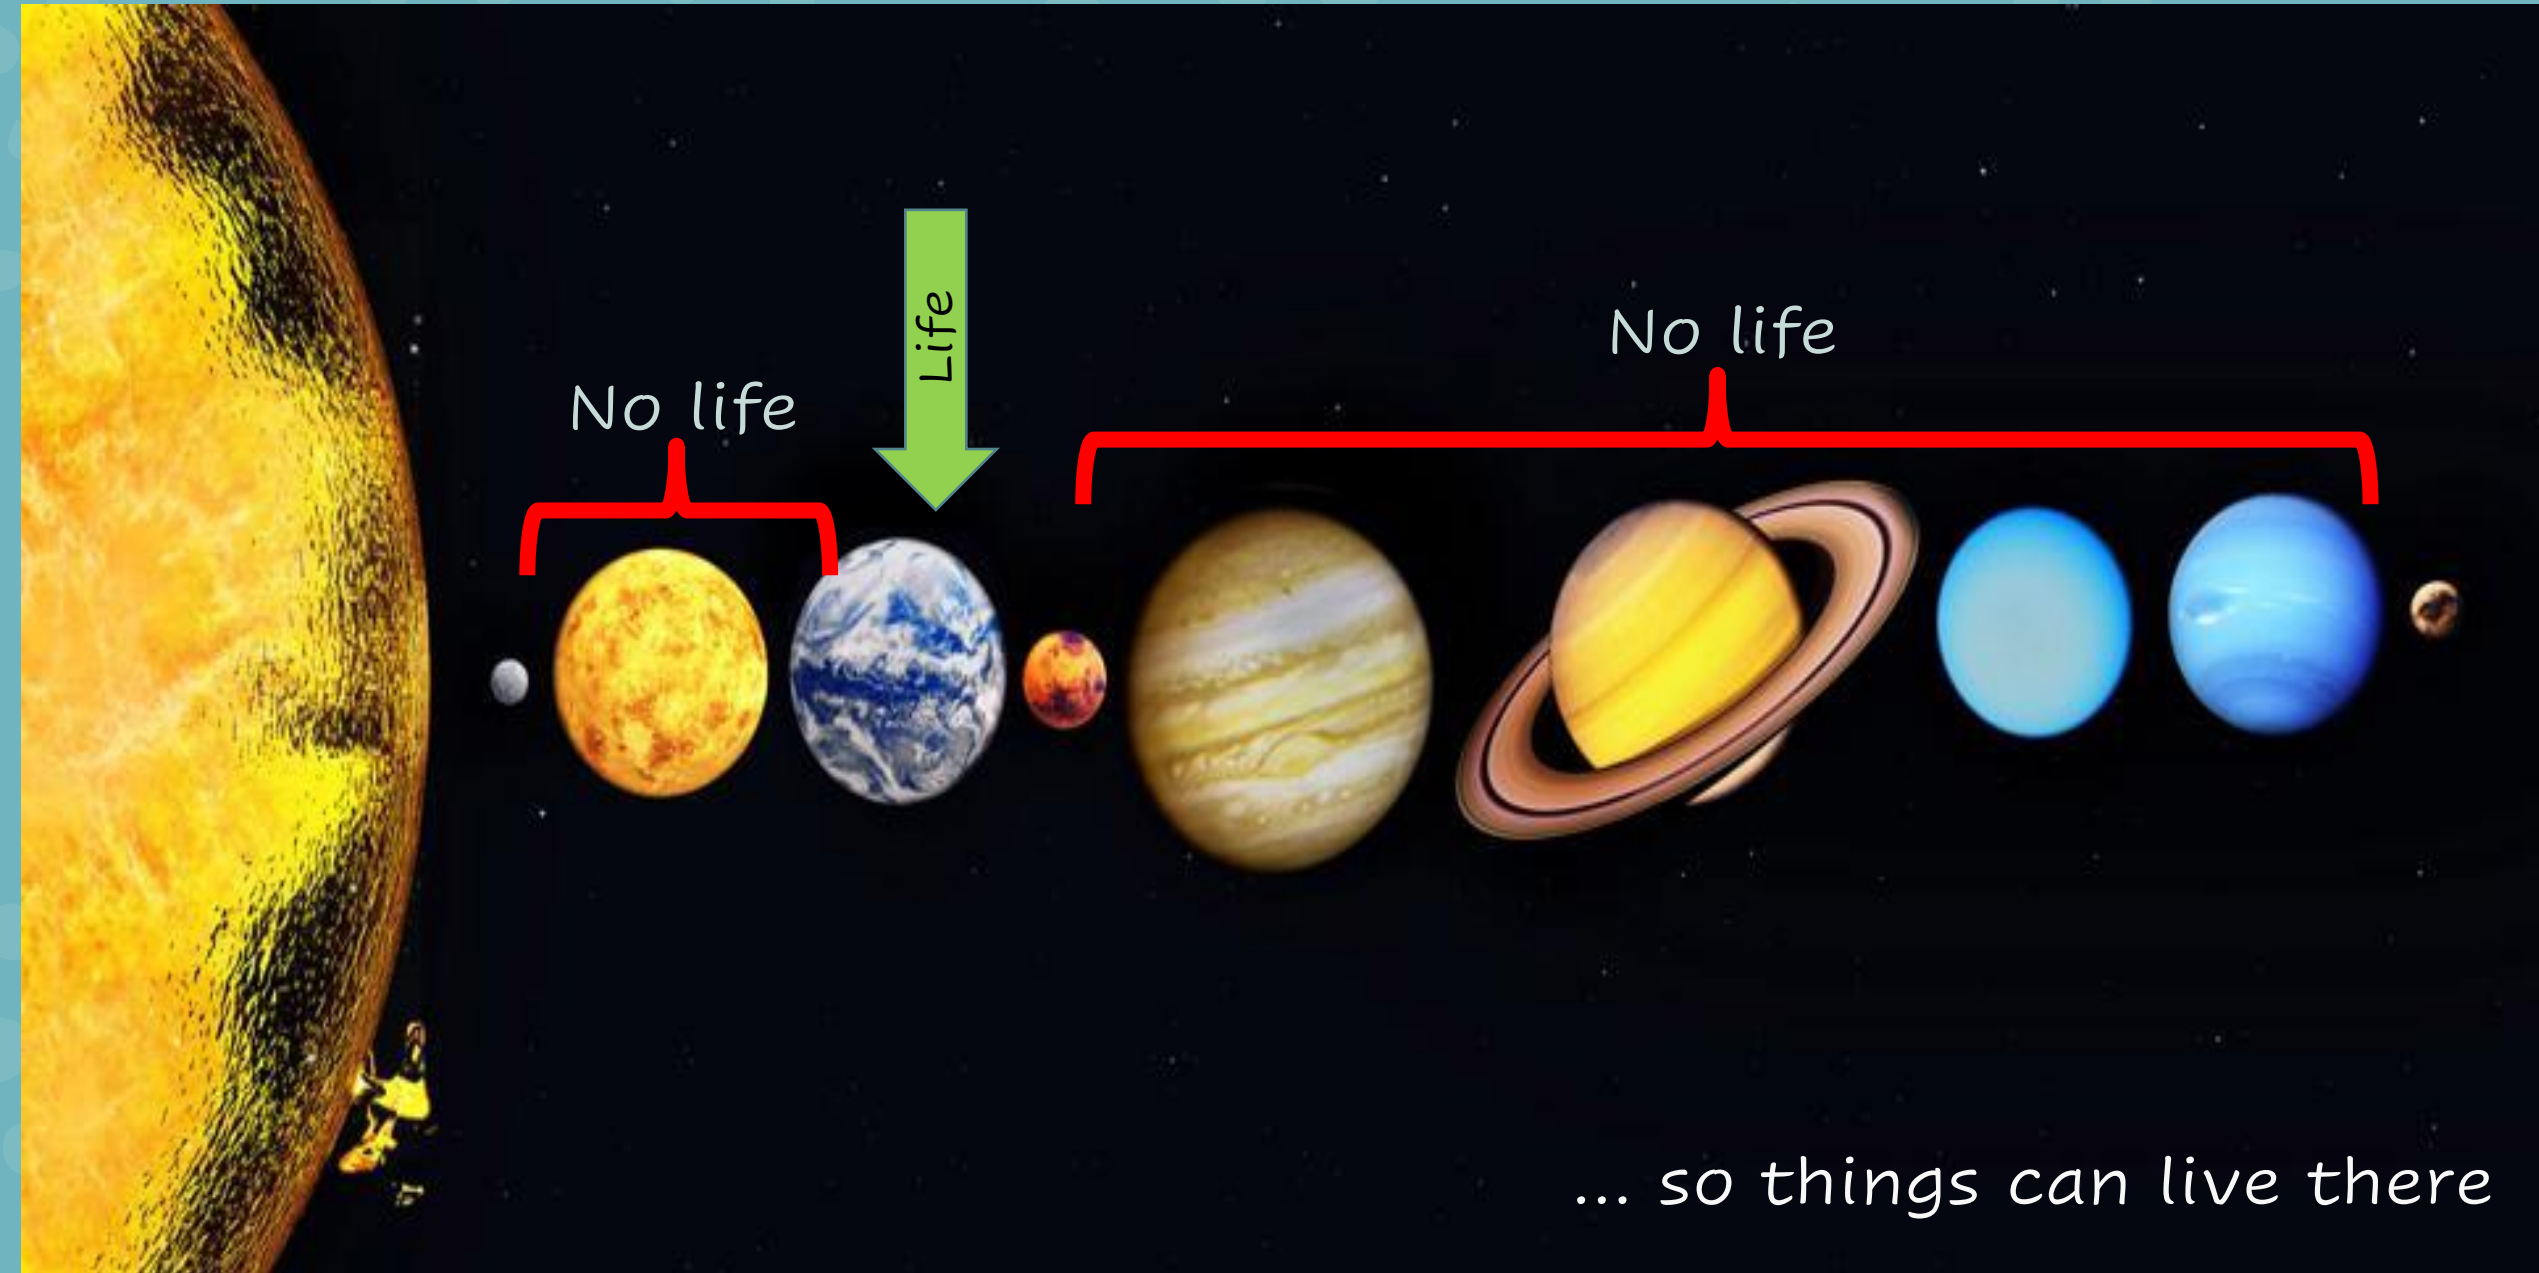

How close  
the moon is

Our  
atmosphere

What would happen if I took away this rock?

Psalm 147:4-5

He decides how many stars  
there should be

He gives each one of them  
a name

Great is our Lord. His  
power is mighty

There is no limit to his  
understanding

# What we learned today!

There are many things needed so there can be life on earth

These things need to be “just so” and be in balance

Because it's so hard to balance those things it wouldn't happen by accident

Someone had to make it that way... God!

# What would you like prayer for today?

- Bullying?
- Sickness?
- Trouble with a friend?
- A family member?
- Something happening in the world?
- \_\_\_\_\_ ?
